

Montana Defensive Pistol Association
State Championship Match
September 17, 2011

Registration

Registration is from 9:00 to 10:00am the day of the match, similar to regular matches.

Payment

The match fee is \$20.00. Make your check payable to "MWA."

The match fee if you join the setup crew is only \$10.00 regardless of when you pay. For this match, setup starts at 4:30pm on Friday, the evening before the match. Please note the new, earlier start time for setup on Friday!

Eligibility

The MDPA State Championship Match is long and complex, so entry is restricted to experienced shooters. Shooters must have shot in at least one MDPA match in the past two seasons or have an IDPA or USPSA classification card. However, USPSA shooters never having shot IDPA or MDPA are discouraged due to the significant rule differences.

Match Day

We will start the match at 10:00am and shoot straight through the 12 stages. (Again, for this match, setup starts at 4:30pm on Friday.) Please carry enough ammo, drinks, sunscreen, etc. to make it through the day. To keep things moving, this is a "lost brass" match. If you want pick up brass, you are welcome to do so after the match.

Awards

The winner of each Division will receive a certificate honoring his or her accomplishment.

If you have any questions, please call or email anytime. Thanks and see you at the range!
